

THE ADD:VENTURE FUND IS YOUR OPPORTUNITY TO ADD VENTURE CAPITAL TO WHAT GOD IS DOING LOCALLY AND GLOBALLY THROUGH ECC.

Evergreen Christian Community (ECC) has been a financial catalyst for multitudes of amazing causes, efforts, initiatives, and groups all over the world for 100 years! One reality of this amazing heritage of generosity is that our list of partners, projects, and objectives become confusing, overwhelming, and difficult to prioritize. Now, all of our world-changing partners and projects are gathered into one overarching effort, focusing our generosity on an annual goal with a list of projects chosen for each year. At the beginning of each year, we will announce that year's Add:venture Fund goals and ask for your partnership through prayer, monthly commitments, and one-time gifts. Then we will spend the rest of the year celebrating together what God is doing through the fund.

BOOTS ON THE GROUND

\$156,000

Our monthly giving supports 65+ strategic partners around the world, both from ECC's missions fund and designated missionary donations you give through ECC. ECC takes on new partners every year, working to see the Church established across the globe.

This provides project funds for ECC missions trips, and helps support special projects for our strategic missions partners.

ONE DAY TO FEED THE WORLD

\$50,000

Our annual Easter offering helps feed over 150,000 children in developing countries through Convoy of Hope. We ask everyone to give one day's wage as a gift. Your One Day changes their every day!

DOLLAR OFFERING

\$70,000

Every week we add venture capital to a local ministry who is doing good in our community, giving \$1 for every person in attendance on Sundays.

ECC CARES

\$30,000

This program funds in-house benevolence needs and supports our community partners such as City Gates Ministries. Through ECC Cares, hundreds of people in desperate need receive assistance with their basic needs.

\$24,000

ECC's Foster, adoptive, and kinship partner ministry where families are supported and encouraged through building community and training. Our vision is to see no needy child left abandoned for lack of foster support.

GRAND TOTAL

GREAT! HOW DO I GET INVOLVED?

You can give to the Add:venture Fund anytime by selecting it when you give online, marking it on your offering envelope, or noting it on the memo line of your check. Our goal is to fund the entire dream and giving to the Fund as a whole helps the most with that. However, if you feel called to support a specific goal within the Add:Venture Fund, you can aim your giving there by marking your gift accordingly. Each year we are amazed at God's faithfulness and your generosity!
